EDUCATION & TRAINING FOUNDATION

ETF Learning Platform

The ETF Learning Platform offers a wide range of professional development courses and resources to inspire you to grow your professional skills and knowledge, with a personalised dashboard to view your courses and track your learning.

Go to Learning Platform

EDUCATION & TRAINING FOUNDATION

Professional Development Platform (PDP)

For access to courses and resources in our T Level Professional Development (TLPD) and Leadership development offers. The PDP provides tailored recommendations for your professional development based on your role and answers to a Training Needs Analysis (TNA).
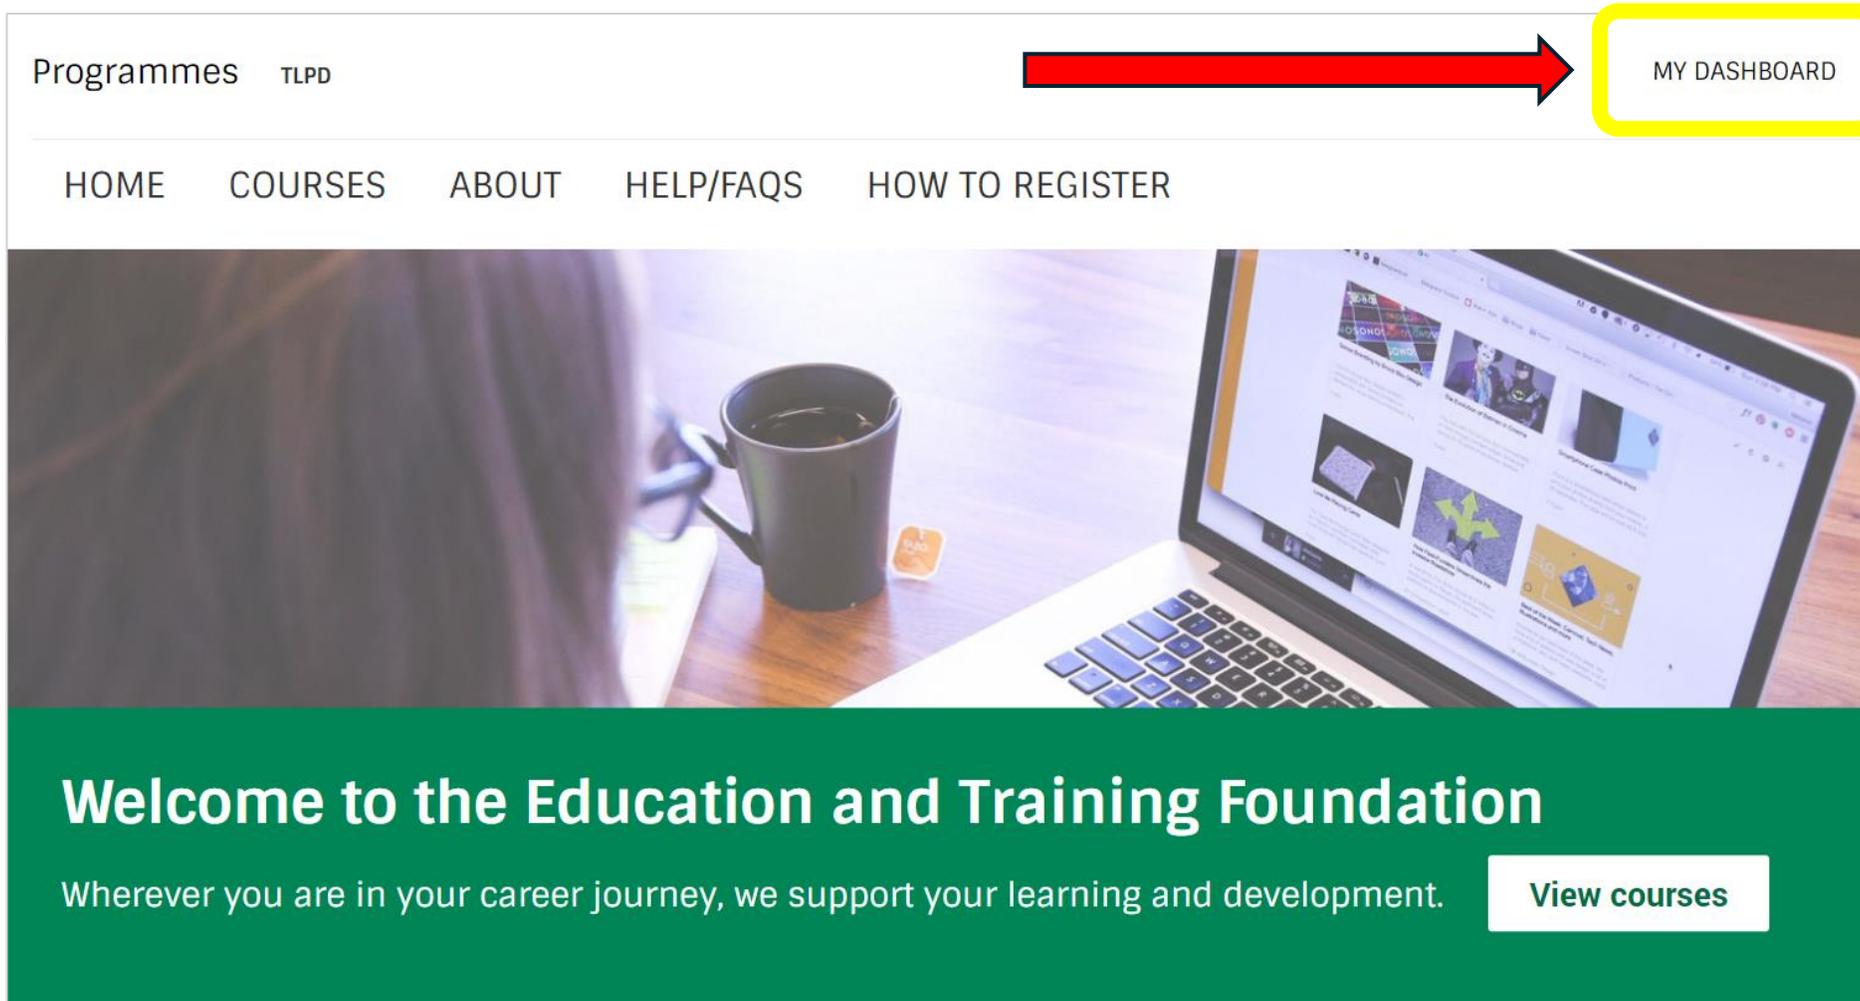

Go to PDP

This is the Learning Platform. Click 'LOG IN' and you should be automatically logged in (because you are already logged in to your main ETF Account).

Click 'MY DASHBOARD' to access T Level CPD.

NB: 'Programmes' and 'View Courses' will not show T Level content.

This will open a page that is your dashboard.

On your first visit, the section under 'My activity' may be blank. Scroll down the page so you can see T Level Professional Development catalogue.
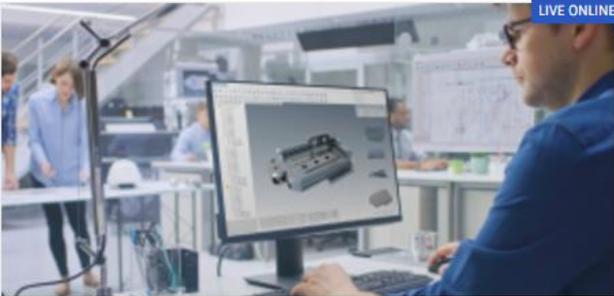

If you would like to browse 'Group Industry Placements' (face to face and online), and Industry Workshops (live or recorded) on various routes, instead select 'Industry Insights' and that will give you the full range to choose from.

You can select from 'IN-PERSON', 'LIVE ONLINE' and 'WEBINAR RECORDING' types of courses

IN-PERSON

Group Industry Placement - Construction - Modern Methods of Construction and Design for Manufacture and Assembly with Mott MacDonald
