PROGRAMME  
DESIGNED TO  
GET YOU  
T LEVEL READY.**

## **ON THE T LEVEL FOUNDATION YEAR YOU CAN EXPECT TO:**

- ↗ gain technical knowledge and practical skills relevant to your chosen T Level
- ↗ prepare for entering the workplace and gain relevant work experience
- ↗ develop industry-relevant English, maths and digital skills
- ↗ have opportunities for personal development to support success on a T Level and in the workplace
- ↗ learn about the different T Levels and their associated careers to help you decide the right T Level for you

“It builds your confidence first of all and gives you a wide range of detail about the subject” Maria, TLFY Digital student, Weston College

“Once I’ve completed the Foundation Year, I’m hoping to get onto an actual T Level in Design and Construction” Charlie, TLFY Construction and the built environment student, Barnsley College

“It’s improved my confidence and given me a better insight of what to expect and the workload” Alicia, TLFY Health and Science student, Cirencester College
