for Education

# Manage T Level Results

Service update and preparation  
for T Level Results Day 2026

# Manage T Level Results service

- The Manage T Level Results service captures and stores component level results data, calculates overall T Level results and issues certificates and statements of achievement (SoAs) to providers
- Both awarding organisations (AO) and providers play a role in T Level results and certification and are therefore required to input data into the service by specific deadlines.
- Service data is shared directly with UCAS to inform learner progression into Higher Education.

## Manage T Level results

Manage T Level results is run by the Education and Skills Funding Agency (ESFA), an executive agency of the Department for Education (DfE).

This service is for awarding organisations and providers who deliver T Level qualifications.

**Awarding organisations (also known as exam boards) can use this service to:**

- tell us if T Level details are correct
- tell us which T Levels each provider is offering
- add or update learner registrations
- add or update assessment entries
- add or update core component results
- tell us about a grade appeal
- bulk upload records (see [T Level data format and rules](#))

**Providers (for example, schools and colleges) can use this service to:**

- tell us if a learner has met the minimum standard for English and maths
- tell us if a learner has completed their industry placement

For security reasons you should always sign out when you have finished using the service. Select 'Sign out' in the top right-hand corner of the screen to sign out and return to the 'Start' page.

You will be signed out if you are inactive for 30 minutes.

[Start now >](#)

**Before you start**

You will need a DfE Sign-in account and an assigned role.

A user can be given more than one role. More details on the roles in this service can be read below.

- ▶ [Awarding organisation roles](#)
- ▶ [Provider roles](#)

# Summary of AO / Provider actions within the service

| Awarding organisations                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Provider                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

# Accessing the service

<https://manage-tlevel-results.tlevels.gov.uk/>

1. Ensure you have a [DfE Sign in](#) account
2. Add your organisation to your account
3. Add the [T Level Results and Certification service](#) to your account

- Note: Your organisation has approvers who can assist you with steps 2 and 3. It will be clear who your organisation's approver (super user) is when trying to complete step 2 – in case you require further support.

- Guidance available at [T level Support for Schools and Colleges \(TLSSC\)](#) on the [How to Access the Manage T Level Results service](#) page

- If you're stuck, drop us an email: [TLevel.RESULTSANDCERTIFICATION@education.gov.uk](mailto:TLevel.RESULTSANDCERTIFICATION@education.gov.uk)

## Manage T Level results

This service provides T Level results, certificates and statements of achievement for your learners.

You must give us:

- industry placement details for each learner
- your organisation's postal address

[Check what data you need to provide and when you need to provide it \(opens in a new tab\)](#)

[View an example T Level results file \(opens in a new tab\).](#)

## Provider next steps

- **ASAP:**
  - Confirm / set up correct DfE Sign-In access (as per guidance in this slide deck)
  - Check that all learners are listed and information is correct. For any anomalies providers should liaise with the relevant AO in the first instance
- **By 12<sup>th</sup> June:**
  - Input industry placement completion data for all 2024 cohort learners
  - Provide details of withdrawn learners to relevant AOs and mark as pending withdrawal in the MTLR service
- **No later than 31<sup>st</sup> July:**
  - Where there has been a late change in IP status, confirm the correct status within the service
- **On 12<sup>th</sup> August, download results ahead of release to students from 8am on 13<sup>th</sup> August**
- **By end October 2026**
  - Confirm postal address for document dispatch
