

T LEVEL CAPITAL FUND

Wave 3

On **Thursday 11th February**, 3pm-4pm, we will be holding a webinar giving an overview of the Capital Fund and how to apply, followed by a Q&A. To book your place please complete this [form](#).

We have made a slight amendment to the application form (Tab 7.2) in response to feedback. Please ensure you complete the form currently on [gov.uk](#) when submitting your application.

Wave 2 – Specialist Equipment Allocation

There will be a delay in confirming Specialist Equipment Allocations. We will now confirm amounts in the first week of March.

T LEVEL TRANSITION PROGRAMME PROVIDER EVENT

The Association of Colleges (AoC) will be hosting the **T Level Transition Programme National Learning Event 2 for Round 2 (first delivery Sept 2021) providers only** on **Tuesday 9th February, 9am-1pm**. This event will focus on the English, maths and digital skills needed for industry, expected cohort characteristics, and assessment. There will be presentations by providers followed by facilitated discussion in breakout rooms.

Zoom meeting invitations have been sent to Round 2 providers by AoC. If you are a Round 2 provider and have not received an invitation or have any questions about the event, please contact [AoC](#).

T LEVEL PULSE SURVEY

We circulated the January Pulse Survey link to all 2020 and 2021 providers on Tuesday 26th January. The survey closes at **midnight on Friday 5th February**. You can read the updated guidance notes [here](#). If you have not received the link or are having trouble accessing it, please email pulse.survey@education.gov.uk.

UPDATES FROM THE AWARDING ORGANISATIONS

1) **NCFE** are delighted to be able to share with providers the recent announcement that the Health and Science T Levels have been approved by the Institute and accredited by Ofqual. You can find out more about this announcement and access the approved technical qualification materials via the [NCFE website](#).

The NCFE have now launched a new area on their dedicated T Level provider hub to help providers more easily access the archive of support webinars. You can access the T Level delivery support recordings webpage [here](#).

Providers can also see a schedule of upcoming webinars and register to attend [here](#).

2) **Pearson's January E-Bulletin** has been published and includes the following:

- Dates and registration for Spring Term training events for Digital and Construction
- Dates and registration for January Q&A Network Sessions for Digital and Construction
- Provider walkthrough for Accounting and Finance

3) **City & Guilds** have had their Construction and BSE T Level content approved for delivery in September 2021. A 12-month countdown timeline and the final qualifications can all be found [here](#).

Providers offering the **Building Service Engineering** T Level should refer to the [guidance](#) regarding Occupational Specialisms, which changed in 2020.

Providers offering the **Refrigeration Engineering and Air Conditioning Engineering** Occupational Specialism (part of the Building Services Engineering T Level) should familiarise themselves with the [new Supplementary Requirement](#) related to this specialism. Providers should consider offering the FGas Certificate to T Level learners before learners undertake their Industry Placement, in order to ensure learners have access to the widest possible choice of placement.

UPDATE FROM THE INSITUTE FOR APPRENTICESHIPS AND TECHNICAL EDUCATION

Help us map out the future

The Institute of Apprenticeships and Technical Education is enhancing the way we share and present information. To learn better how to do this, we are reaching out to learning providers to gain a deeper appreciation of what you do and what services we can offer to support you. It would be great if you could share your thoughts and experiences by completing this [survey](#).

The Institute needs you!

We're looking for people who will be involved in delivering T Levels, in all subject areas, to give your views on the materials as they are being developed by the Awarding Organisations and into delivery. The group would meet 3-4 times a year for a morning or afternoon session, with some preparation time needed to review the materials ahead of each session. **Please only volunteer if you are not already part of a provider validation panel** hosted by one of the T Level Awarding Organisations, to avoid any potential conflicts of interest. If you'd like to volunteer, please contact TE.IFA@education.co.uk by 5pm Friday 12th February 2021.

Wave 1 T Level Delivery Insights

Normally, at this time of year, we would be asking you to complete a short survey seeking your feedback on the services you have received from Awarding Organisations. Given the current circumstances relating to COVID-19, we have decided not to issue a survey this term. If you would like to provide any feedback please contact enquiries.ifa@education.gov.uk

EVENTS FOR 2021 LEVEL PROVIDERS

With the delivery of your first T Levels this year, we want to ensure that we are doing all we can to support your final preparations. As in previous years, we are planning to run events to compliment the support you are receiving. **We are really interested to hear if there are any areas that you would like the events to cover, so we can tailor them to your needs.** Please send your thoughts to RoutesReadiness.TE@education.gov.uk

FIND A LEARNING AIM (FALA) T LEVEL RESEARCH 2021 PHASE 1

T Level courses have been available in [FALA](#) for several months now. We would like to understand your experience of FALA so far by conducting some remote research calls over the coming weeks. Your support really does make a difference, so if you would like to take part, please register your interest with stephen.aris@education.gov.uk

EDUCATION TRAINING FOUNDATION

Improve your T Level teaching practice with our [role specific courses](#) – **New Teacher Programme** and **Teaching T Levels**.

Delivered by providers with direct experience teaching T Levels, these courses will enable you to update your teaching practice and planning methods. We recommend you undertake an online (flexible) course prior to attending a live online session.

You can view upcoming courses and register to attend [here](#). If the course dates are not suitable, you can request an in-house session for staff in your organisation by contacting your [regional facilitator](#).
