

LEVEL 2: FOUNDATION CERTIFICATE

NEW

A clear route towards level 3

Get ready for A Levels, V Levels or T Levels

A new option
for 16 year
olds from
2027.

Prepares
students for
level 3 study so
ideal for
students who
would benefit
from an
additional year
of structured
preparation.

Learn in an
applied way,
with assessment
that helps you
show both your
knowledge and
skills.

Includes continued
study of English
and maths where
required.

It is designed to
give students time
to build confidence,
knowledge and
skills, so they are
ready for level 3
study.

Progression is subject
to provider entry
requirements, but the
pathway is designed
to give students the
strongest possible
foundation to
succeed at level 3.
